EXPLANATORY STATEMENT

This Explanatory Statement is included in and forms part of the Notice of Meeting. It contains background information pertaining to the Resolutions to be considered and voted upon at the Meeting as well as information required to be given to Shareholders under the Listing Rules in relation to the Resolutions.

It is given to Shareholders to help them determine how to vote on the Resolutions set out in the Notice of Meeting.

Shareholders should read this Explanatory Statement in full and in conjunction with the other sections of this Document, in order to gain a more complete understanding of the Resolutions proposed in the Notice of Meeting.

If a Shareholder is in doubt about what to do in relation to a Resolution, it should consult its financial or other professional adviser.

1. RESOLUTION 1 –RATIFICATION OF ISSUE OF PLACEMENT SHARES

1.1 Background

On 10 December 2024, the Company announced that it had completed a placement of \$25 million (before costs) to institutional and sophisticated investors (**Placement**). Demand for the Placement was well in excess of funds raised by the Company.

The Placement resulted in the issue of 271,739,135 fully paid ordinary shares (**Placement Shares**) issued using the Company's capacity (150,803,626 under ASX Listing Rule 7.1A and 120,935,509 under ASX Listing Rule 7.1).

Participants in the Placement also received free options (**Placement Options**) on a one (1) for three (3) basis, with each Placement Option being exercisable at \$0.1196 and expiring 18 months from the date of their issue being 17 June 2026. The Company issued a total of 90,579,731 Placement Options issued using the Company's capacity under ASX Listing Rule 7.1.

The issue of the Placement Shares and Placement Options occurred on 17 December 2024.

Petra Capital acted as Sole Lead Manager and Sole Book-runner to the Placement.

The Company now seeks shareholder approval to ratify the issue of the Placement Shares pursuant to Listing Rule 7.4.

1.2 Subsequent approval of an issue of Securities under Listing Rule 7.4 and 7.5

Listing Rule 7.1 requires Shareholder approval for the proposed issue of securities in the Company where such issue represents more than 15% of the Company's securities then on issue within the 12-month period immediately prior to the date of that issue or the date of agreement to effect that issue (**15% Threshold**). Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of special resolution passed at its annual general meeting to increase the 15% limit by an extra 10% (**10% Threshold**) to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 26 November 2024.

Listing Rule 7.4 permits the ratification of previous issues of securities made without Shareholder approval, provided such issue, in aggregate with any other applicable issues of Equity Securities by the Company, did not breach the 15% Threshold and the 10% Threshold.

For personal use only

Shareholder ratification of an issue of securities under Listing Rule 7.4 enables the Company capacity to issue further securities up to the 15% Threshold and the 10% Threshold, without additional Shareholder approval (but still subject to any other approval required under the Listing Rules), to the extent of the securities that were the subject of that ratification.

Listing Rule 7.4 stipulates that an issue of Equity Securities made without Shareholder approval under Listing Rule 7.1 is treated as having been made with it is subsequently approved by Shareholders.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses part of the Company's 15% capacity in Listing Rules 7.1 and the Company's 10% capacity in Listing Rule 7.1A, and if this Resolution is not approved it reduces the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

If this Resolution is passed, the Placement Shares will be excluded in calculating the Company's 15% Threshold and 10% Threshold, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

1.3 Additional disclosure

The following information in relation to the Placement Shares the subject of Resolution 1 is provided to the Shareholders for the purposes of Listing Rule 7.5:

(a) *Equity Securities issued*

271,739,135 fully paid ordinary shares.

(b) *Issue price*

The Placement Shares were issued at \$0.092 per Share. The Company received an aggregate \$25,000,000 (before costs) as consideration for the issue of the Placement Shares which are the subject of this Resolution.

(c) *Issue date*

The Placement Shares were issued on 17 December 2024.

(d) *Terms*

The Placement Shares issued were fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary shares on issue.

(e) *Persons to whom Equity Securities were issued*

The Placement Shares were issued to Sophisticated Investors, professional and institutional investors who are not Related Parties of the Company.

The participants in the Placement were introduced by Petra Capital who acted as lead managers to the Placement and other brokers, or were prospective investors already known to the Company. The recipients were identified through a bookbuild process, which involved the lead managers seeking expressions of interest from Sophisticated Investors, professional and institutional investors to participate in the Placement.

In accordance with paragraph 7.2 of the ASX Guidance Note 21, the Company confirms that none of the recipients were:

- (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and

(ii) issued more than 1% of the issued capital of the Company.

(f) *Use of funds raised*

The funds raised under the Placement will be used primarily for:

- Bowdens Silver Project development consent approvals and engineering studies;
- community and freehold purchases including property purchase, water and biodiversity rights, and land access agreements;
- continued exploration for Resource growth across the Company's NSW tenements including the Company's Bara Creek Prospect and Tuena Project;
- business development opportunities; and
- general working capital.

(g) *Material Terms of an agreement to which securities were issued*

The Placement Shares were not issued under an agreement. The Placement Shares were issued to Sophisticated Investors, professional and institutional investors who subscribed for the shares under the Placement.

1.4 Voting Exclusion Statement

A description of the persons not permitted to vote on Resolution 1, and whose votes will be disregarded if cast on Resolution 1, is set out in the Notice.

1.5 Recommendation of Directors

Each Director recommends that Shareholders vote **in favour** of Resolution 1. Each Director confirms that they have no personal interest in the outcome of Resolution 1.

2. RESOLUTION 2 –RATIFICATION OF ISSUE OF PLACEMENT OPTIONS

2.1 Background

See Section 1.1 above.

As noted above in Section 1.1, Participants in the Placement also received free Placement Options on a one (1) for three (3) basis, with each Placement Option being exercisable at \$0.1196 and expiring 18 months from the date of their issue being 17 June 2026. The Company issued a total of 90,579,731 Placement Options issued using the Company's capacity under ASX Listing Rule 7.1.

The Company now seeks shareholder approval to ratify the issue of the Placement Options pursuant to Listing Rule 7.4.

2.2 Subsequent approval of an issue of Securities under Listing Rule 7.4 and 7.5

Listing Rule 7.4 permits the ratification of previous issues of securities made without Shareholder approval, provided such issue, in aggregate with any other applicable issues of Equity Securities by the Company, did not breach the 15% Threshold.

Shareholder ratification of an issue of securities under Listing Rule 7.4 enables the Company capacity to issue further securities up to the 15% Threshold, without additional Shareholder approval (but still subject to any other approval required under the Listing Rules), to the extent of the securities that were the subject of that ratification.

Listing Rule 7.4 stipulates that an issue of Equity Securities made without Shareholder approval under Listing Rule 7.1 is treated as having been made with it is subsequently approved by Shareholders.

Further under Exception 9 in Listing Rule 7.2, an issue of Equity Securities on the conversion of Convertible Securities (including Options) does not count towards the 15% Threshold provided that the Company issued the Convertible Securities:

- (a) Before it was listed and disclosed the existence and material terms of the Convertible Securities in the prospectus, PDS or information memorandum lodged with ASX under the Listing Rule 1.1 condition 3; or
- (b) after it was listed and complied with the Listing Rules when it did so.

The issue of the Placement Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses part of the Company's 15% capacity in Listing Rules 7.1, and if this Resolution is not approved it reduces the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Options.

If this Resolution is passed, the Placement Options will be excluded in calculating the Company's 15% Threshold, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

2.3 Additional disclosure

The following information in relation to the Placement Options the subject of Resolution 2 is provided to the Shareholders for the purposes of Listing Rule 7.5:

(a) *Equity Securities issued*

90,579,731 unquoted Options.

(b) *Issue date*

The Placement Options were issued on 17 December 2024.

(c) *Terms*

Each Placement Option will have an exercise price of \$0.1196 and will expire on 17 December 2026. The terms and conditions of which are set out in Annexure B of this Notice.

(d) *Persons to whom Equity Securities were issued*

The Placement Options were issued to Sophisticated Investors, professional and institutional investors who participated in the Placement and who are not Related Parties of the Company.

The participants in the Placement were introduced by Petra Capital who acted as lead managers to the Placement and other brokers, or were prospective investors already known to the Company. The recipients were identified through a bookbuild process, which involved the lead managers seeking expressions of interest from Sophisticated Investors, professional and institutional investors to participate in the Placement.

In accordance with paragraph 7.2 of the ASX Guidance Note 21, the Company confirms that none of the recipients were:

- (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company.
- (e) *Issue Price and Use of Funds*

No funds will be raised from this issue of the Placement Options as they are free attaching options to Shares subscribed for under the Placement.

The Company does not have any specific intentions for the use of funds received on exercise of the Placement Options, and the Company presently considers that funds raised from the exercise of Placement Options, will be applied towards pre-development expenses including exploration associated with the Company's flagship Bowdens Silver Project and the Company's general working capital.

(f) *Material Terms of an agreement to which securities were issued*

The Placement Options were not issued under an agreement. The Placement Options were free options issued to Sophisticated Investors, professional and institutional investors who subscribed for the shares under the Placement.

2.4 Voting Exclusion Statement

A description of the persons not permitted to vote on Resolution 2, and whose votes will be disregarded if cast on Resolution 2, is set out in the Notice.

2.5 Recommendation of Directors

Each Director recommends that Shareholders vote **in favour** of Resolution 2.
Each Director confirms that they have no personal interest in the outcome of Resolution 2.

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.

ANNEXURE B – TERMS AND CONDITIONS OF PLACEMENT OPTIONS

The Placement Options entitle the holder to subscribe for fully paid ordinary shares in the Company (“**Shares**”) on the following terms and conditions:

(a) **Entitlement**

Each Placement Option gives the option holder the right to subscribe for one Share. To obtain the right given by each Placement Option, the option holder must exercise the Placement Options in accordance with the term and conditions of the Placement Options.

(b) **Exercise Price**

Subject to any variation in share capital, the amount payable upon exercise of each Placement Option will be \$0.1196.

(c) **Expiry Date**

The Placement Options will, except to the extent earlier exercised, expire at 5:00pm (AEST) on 17 June 2026 (“**Option Expiry Date**”). Any Placement Option not exercised before the Option Expiry Date will automatically lapse on the Option Expiry Date.

(d) **Exercise Period**

The Placement Options are exercisable at any time on or prior to the Option Expiry Date (“**Exercise Period**”).

(e) **Notice of Exercise**

The Placement Options may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Placement Option certificate (“**Notice of Exercise**”) and payment of the Exercise Price for each Placement Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

(f) **Exercise Date**

A Notice of Exercise is only effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the Exercise Price for each Placement Option being exercised in cleared funds (“**Exercise Date**”).

(g) **Timing of Issue of Shares on exercise**

Within 5 Business Days after the Exercise Date, the Company will:

- (i) issue, allocate or cause to be transferred to the holder the number of Shares to which the holder is entitled;
- (ii) issue a substitute Certificate or holding statement for any remaining unexercised Placement Options held by the holder;
- (iii) if required, and subject to clause (h), give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
- (iv) do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the Listing Rules.

(h) **Restriction on transfer of Shares**

If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or such a notice for any reason is not effective to ensure that an offer for sale of the Shares does

not require disclosure to investors, Shares issued on exercise of the Options may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act. The Company is authorised by the holder to apply a holding lock on the relevant Shares during the period of such restriction from trading.

(i) **Shares issued under exercise**

Shares issued on exercise of the Placement Options rank equally with the then issued Shares of the Company.

(j) **Variation of Share Capital**

If at any time the issued capital of the Company is reconstructed, the number of Placement Options and the Exercise Price will be adjusted in such a manner as the auditors for the time being of the Company will in writing advise the Directors to be in their opinion fair and reasonable.

(k) **Participation in new issues**

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Placement Options without exercising the Placement Options.

(l) **Change in exercise price**

A Placement Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Placement Option can be exercised.

(m) **Quotation of Shares issued on exercise**

If the Company is admitted to the official list of ASX at the time of the exercise of the Placement Options, application will be made by the Company to ASX for quotation of the Shares issued upon issue of Shares as a result of that exercise occurring.

(n) **Unquoted**

The Company will not apply for quotation of the Placement Options on ASX.

(o) **Transferability**

The Placement Options are not transferable, except with the prior written approval of the Company at its sole discretion and subject to compliance with the Corporations Act and Listing Rules.
